

ATESOL ACT is the **Association of Teachers of English to Speakers of Other Languages in the Australian Capital Territory**. We work in many educational settings including early years, schools, adult English, ELICOS, tertiary studies, teacher education and research.

We aim to support all teachers and learners of English as an additional language within the ACT. We offer professional learning for educators in the TESOL field and also welcome mainstream teachers.

Membership entitles you to:

- participate in your local TESOL association, and attend ATESOL ACT and interstate on-line TESOL association events at big discounted member rates
- receive ATESOL ACT e-newsletters
- learn about and assist in TESOL advocacy in the ACT and nationally
- support the work of the *Australian Council of TESOL Associations (ACTA)*, which advocates nationally for TESOL teachers and learners, and is responsible for the biennial national conference and the online *TESOL in Context* journal.
- attend the ACTA biennial national conference at discounted membership rate (but NB next conference is not until 2025)
