

## Teaching Language Through Drama

### A Fabulous Workshop with Jodi Whitehurst

*“There are very few educators who can bring drama and language learning to meet the needs of diverse institutional contexts. Jodie not only meets these needs professionally but my students/teachers have so much fun, it’s crazy! By the end of her lesson, all our inhibitions are unleashed.”*

Dr Julie Choi, Language Teacher Educator,  
Melbourne Graduate School of Education.

Don’t miss this energising two hour workshop, where you will learn – through hands-on participation – some wonderfully accessible and practical drama techniques to engage and motivate EAL students while enhancing their language learning outcomes.

Jodie has travelled internationally to research the benefits and best practice in teaching EAL through drama. In 2021, she was a finalist for the Victorian Learn Local Pre-Accredited Trainer Award. For further details about Jodie, click [here](#).
