The Association of Teachers of English to Speakers of Other Languages in the Australian Capital Territory (ATESOL ACT) is the professional association for educators concerned with the teaching of English as an additional language or dialect (EAL/D) in the ACT across all sectors and contexts, for example: early childhood, schools, adult English, ELICOS, tertiary studies, student support, private tutoring, teacher education and research.

Your membership fee supports professional learning events for specialist and mainstream teachers with EAL/D learners. It also contributes to the work of the [Australian Council of TESOL Associations \(ACTA\)](#) in advocating nationally for TESOL teachers and learners, supporting the biennial national conference, funding the free online journal [TESOL in Context](#), and offering an award and financial support for researchers.

- discounted membership rate for the ACTA national conference (next conference 2025) and eligibility for financial support to attend the conference
- ATESOL ACT e-newsletters
- updates on and input to TESOL advocacy in the ACT and nationally
